

## M/WBE Statement

## M/WBE Analysis of RFP/Bid Respondents

RFP/Bid #: BC-03-25-03-30

Title: Agreement for Chiller Maintenance: Continuing Services

M/WBE % Goal: 21.00% Composite

The M/WBE office has performed an analysis of the bids submitted by York International, Johnson Control, and Trane to ascertain whether or not their perspective bids met the M/WBE percentage composite goal of 21%. Based on the individual bids submitted, none of the respondents met the M/WBE participation level goal for this project. The M/WBE office supports the staff's recommendation of York International due to the fact there is limited possibility for M/WBE utilization to achieve the participation level of services, and they are not subcontracting out any of the services.

1	Respondent: York International; Duluth, GA	Base Bid:	\$	26,617.00
	Detail M/WBE Companies (respondent & subcontractors, as applicable)	Goods and Services	*E/G	**Cert. By
